PROFILE

Mechanical Engineering graduate with hands-on exposure to maintenance, industrial equipment, and plant operations. Seeking a Graduate Engineer Trainee role to apply technical knowledge, problem-solving skills, and shop-floor experience in a manufacturing environment.

EDUCATION

Btech in mechanical engineering

BIT Sindri

CGPA 7.7

2021 – 2025

Dhanbad

Intermediate

Chinmaya Vidyalaya

87.2%

2020

Bokaro, Jharkhand

Matriculation

DAV Public School

89.8%

2018

Ramgarh, Jharkhand

PROFESSIONAL EXPERIENCE

GET

JSW Coated Steel

11/2025

Vasind, Maharashtra

Vocation Training

Koderma Thermal Power Plant

05/2024

- Exposure to boiler, turbine, condenser, and auxiliaries
- Understanding of thermal power plant operation & safety practices
- Familiarity with coal and ash handling systems

Vocational Training

Central Coalfield Limited

05/2023

Rajrappa, Jharkhand

- Exposure to **100T, 50T, Dozer etc.**
- Understanding of engine, hydraulic, braking, and transmission systems
- Observed preventive maintenance and safety practices

PROJECTS

Performance Analysis of Diesel Engine Fueled by Diesel–Ethanol–TiO₂ Blends

- Conducted performance testing on diesel engine using blended fuels
- Analyzed **Brake Thermal Efficiency (BTE)** and **BSFC**
- Studied **combustion characteristics and emission trends**
- Improved understanding of **alternative fuels & engine performance**

SKILLS

- Team Coordination
- Shift Operation
- Communication Skills

ORGANISATIONS

Prayaas India

Volunteer

2021 – 2025

Dhanbad, Jharkhand

- Volunteered as a teacher to educate underprivileged students by delivering basic academic lessons, assisting with concept clarification, and mentoring students to improve learning confidence and discipline.
